

**TENDER FOR SUPPLY OF SMF BATTERIES FOR UPS SYSTEMS**  
**STATE BANK OF INDORE**  
**Tender No 003/2009**

State Bank of Indore invites **sealed tenders** for supply of **96 Sealed Maintenance Free (SMF) batteries** for three 30 KVA UPS systems installed on the 1<sup>st</sup> Floor of its Head Office at 5 Yeshwant Niwas Road, Indore. These batteries are to be installed in three battery banks of 32 batteries each , one battery bank for each 30 KVA UPS.

**Battery Specification: 12v 75 AH SMF** for use with UPS systems for supplying power to computer systems

**Acceptable Brand/Make: Global Yuasa(Rocket) / AmarRaja(Quanta)**

**Eligibility: Quotations are invited only from those vendors who are authorized dealers/suppliers of the brand they are quoting for. Evidence that they are authorized dealers/suppliers for the brand they are supplying would have to be attached with the bid failing which the bid is liable to be rejected.**

**Earnest Money: The bids would have to be accompanied by a demand draft /banker's cheque for an amount of Rs 8000/- drawn in favour of "State Bank of Indore" payable at Indore. This money would be returned to vendors who are unsuccessful in the tender within 10 days of finalization of L1 vendor. The amount would be returned to the L1 vendor on successful installation of the batteries.**

**Warranty: Minimum 18 months from date of installation.** In the event of battery becoming defective within the warranty period, vendor would be required to provide a new replacement at no cost. If new replacement cannot be given on the same day, vendor would be required to provide an equivalent battery in good working condition on the same day till new replacement is delivered within 7 days of the battery becoming defective.

Battery interconnecting cable with lugs should be provided for each battery.

The vendor would be required to dismantle the existing bank of batteries and install the new batteries.

The vendor would be required to quote **buy-back** for existing 180 pieces of 12v 78 AH batteries (Quanta brand) which are around two and a half years old. These old batteries would need to be removed from the Bank's premises by the vendor at his own cost.

The rate shall be firm and should be inclusive of cost of interconnecting cables, dismantling/installation charge, all taxes, duties, and delivery at site ( on the 1<sup>st</sup> Floor of the bank's Head Office Building at 5 Yashwant Niwas Road, Indore) . No cost escalation would be permitted.

**Octroi and entry tax would be paid extra if applicable.**

**Delivery** :Delivery at site should be made within **14 days** of date of placement of order.

Liquidated damages: In case of delay in supply, liquidated damages @ ½ % of order value per week would be imposed for each week's delay beyond the stipulated 14 days delivery period.

**Payment Terms:** 90% on delivery and installation. Balance 10% after expiry of 18 month warranty period or on production of a Performance Guarantee in Bank's format from a nationalised bank (**other than a bank of the State Bank Group**). The guarantee should be valid for a period of 21 months ( including claim period of 3 months).

The rate should be quoted in the following format in the bid:

Make/Model of Battery: \_\_\_\_\_

Unit Cost of new 12v75 AH Battery  
(with interconnecting cable) = Rs \_\_\_\_\_.... (a)

Scrap value per battery = Rs \_\_\_\_\_....(b)

Total Cost of 96 units new batteries: (a) X 96 = Rs \_\_\_\_\_(c)

Scrap Value of 180 units old (12v78AH)batteries: (b) X 180 = Rs \_\_\_\_\_(d)

Net Cost (e) =( c ) – ( d ) = Rs \_\_\_\_\_(e)

Vendor quoting least Net Cost ( e ) will be adjudged L1 vendor.
