Pre-qualification of Rain Water Harvesting Contractors

Applications are invited from competent contractors having sound technical and financial capacity for rain water harvesting work in our bank's premises at 1, Arera hills, Bhopal. The contractors having executed similar nature of work successfully may apply to the above address within **10 days** from the date of publication in the website along with supporting documents. **The contractors having relatives working under Premises department of SBI or its Associates banks are not eligible to apply. Sealed envelope** shall be super scribed with the name of the work.

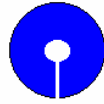

Scope of work includes providing injection well (Bore well of desired depth), discharging roof top rain water through PVC pipes to injection well through artificially made filter to be fitted in PVC pipes, constructing brick masonry chamber for overflow of excess water, submitting the valid certificate (that will be accepted by BMC) along with photographs, coordinate with Bhopal Municipal Corporation for the work etc.

The contractor shall be advised to visit the site, understand the nature of work and submit the application accordingly. Tenders will be issued to the pre-qualified contractors. Tenders will be opened in the presence of the contractors or their authorized representatives.

The Bank reserves the right to accept or reject any or all applications without assigning the reasons whatsoever.

Dy. General Manager
